LIMITED REVIEW REPORT

To

The Board of Directors of

Rajputana Biodiesel Limited

(Formerly known as Rajputana Biodiesel Private Limited)

INTRODUCTION

1. 2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors of the company, has been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard 25 "Interim Financial Reporting" ("AS 25"), prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.

the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information is limited primarily to making inquiries of the company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

CONCLUSION

4. Based on our review conducted as and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying statement of the unaudited standalone financial results, prepared in accordance with the recognition and measurement principles laid down in the applicable accounting standards ('AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued there under and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.

Other Matters

The statement includes the results for the Half Year ended March 31, 2025, being the balancing figures between Audited figures in respect of the full financial year and the published year to date figures up to the first Half year of the respective financial year which were subject to Limited Review of Financial Statements conducted by us.

Our conclusion on the Statement is not modified in respect of the above matters.

*NOTE: In accordance with the provisions of Accounting Standard (AS) 17, "Segment Reporting", the Company has evaluated its business segments based on the products it manufactures and sells. Since the entire business operations are conducted from a single geographical location, no geographical segments have been identified.

The Company deals in two primary products:

(i) Bio Diesel (Principal Product)

(ii) Crude Glycerine (Ancillary Product)

However, given that both products are closely related and are not separately identifiable in terms of financial performance or decision-making, they have been classified under a single segment for the purpose of segment reporting.

This classification is in compliance with the segment reporting requirements of AS 17, as prescribed by the Institute of Chartered Accountants of India (ICAI), which allows for the aggregation of products with similar characteristics into one segment when their financial performance is not distinguishable.

Thus, for the purpose of compliance with the relevant accounting standards, the Company has identified a single segment in the financial statements.

SCOPE OF REVIEW

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information is limited primarily to making inquiries of the company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Master Circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the following entities:

Holding Company	Rajputana Biodiesel Limited (formerly known as Rajputana Biodiesel Private Limited)
Subsidiary	Nirvaanraj Energy Private Limited

CONCLUSION

5. Based on our review conducted as and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying statement of the unaudited consolidated financial results, prepared in accordance with the recognition and measurement principles laid down in the applicable accounting standards ('AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued there under and other recognized accounting practices and policies

"NOTE: In accordance with the provisions of Accounting Standard (AS) 17, "Segment Reporting", the Group has evaluated its business segments based on the products it manufactures and sells. Since the entire business operations of holding company are being conducted from a single geographical location and subsidiary company from another geographic location but both dealing in same products, the difference due to geographical location can be ascertained from the respective financials of the holding and subsidiary company, accordingly no separate segments based on geographical location have been identified.

The Group deals in two primary products:

- (i) Bio Diesel (Principal Product)
- (ii) Crude Glycerine (Ancillary Product)

However, given that both products are closely related and are not separately identifiable in terms of financial performance or decision-making, they have been classified under a single segment for the purpose of segment reporting.

This classification is in compliance with the segment reporting requirements of AS 17, as prescribed by the Institute of Chartered Accountants of India (ICAI), which allows for the aggregation of products with similar characteristics into one segment when their financial performance is not distinguishable.

Thus, for the purpose of compliance with the relevant accounting standards, the Group has identified a single segment in the financial statements.
